Charotar University of Science and Technology

FEEDBACK on curriculum

B.Tech - Programme

1. *Curriculum desing and organization:*

SCALE: 1- VERY POOR; 2 - POOR; 3 - SATISFACTORY; 4 - GOOD; 5 - GREAT					
	1	2	3	4	5
1. Matching with vision-mission statement.	☐	☑	☐	☐	☐
2. Development of Social Understanding	☐	☐	☐	☑	☐
3. Promotion of Maximum Personal Development	☐	☐	☑	☐	☐
4. Promotion of Continuity of Experience	☐	☐	☑	☐	☐
5. Utilization of Effective Learning Experiences and Needed Resources	☐	☐	☐	☐	☑

2. *What did you like most about the Curriculum:*

→ ~~[illegible]~~ Get knowledge with a Highly experienced faculty.

3. *Your comment about educational goals included in curriculum.*

→ In theory knowledge may help in a industry to Research & development of products.

4. *Your comment about methodology included in curriculum.*

→ Methodology is satisfactory and file work is too burden due to file work we even not time think about new ideas specially in final year.

5. *Summarize your overall feedback in 2-3 lines:*

→ In a final semester it should have compulsory training (industrial) instead of subjects.
→ And stop a useless File works.
