FEEDBACK on curriculum

B.Tech - Programme

1. *Curriculum desing and organization:*

SCALE: 1- VERY POOR; 2 - POOR; 3 - SATISFACTORY; 4 - GOOD; 5 - GREAT					
	1	2	3	4	5
1. Matching with vision-mission statement.	☐	☐	☐	☐	☑
2. Development of Social Understanding	☐	☐	☐	☐	☑
3. Promotion of Maximum Personal Development	☐	☐	☐	☐	☑
4. Promotion of Continuity of Experience	☐	☐	☐	☐	☑
5. Utilization of Effective Learning Experiences and Needed Resources	☐	☐	☐	☐	☑

2. *What did you like most about the Curriculum:*

CBCS in the curriculum,

3. *Your comment about educational goals included in curriculum.*

Educational goals perfectly match to the present scenario & future needs of power sector.

4. *Your comment about methodology included in curriculum.*

Increase in practical hours is good decision.

5. *Summarize your overall feedback in 2-3 lines:*

Internship after 2nd year will give practical exposure to the students. It is good to see a specific course on Renewable Energy Sources in the final year syllabus. Overall, it is very good.
